

LIVE YOUR DREAM AWARD

ASHLEY BARRETT

Noyo Sunrise is granting its Live Your Dream Award to a young mother from Kelseyville. Her name is Ashley Barrett. She is a single mom raising three children (including a foster child) and, while working full-time, she is studying nursing at Mendocino Community college in Lake County. She has her Associate's degree and is planning to continue her education to attain a Bachelor's in Nursing.

Ashley supports others. She helps adults with mental disabilities, and is especially attached to young mothers who suffer stigmas for being less than perfect.

Here is how others describe her. She is a leader, a team player, kind-hearted, empathetic, compassionate, a hard-worker, organized, a good mentor, and inspirational to others.

Ashley, our club is proud to give you the 2022 Live Your Dream Award and a check for \$1000 to further your educational dreams or use it for whatever you need.
