

DETAILED INFORMATION ABOUT THE JULY CRAFT FAIR

Town Hall is a really great venue for a Craft Fair. It's in the heart of downtown business district of Fort Bragg, CA. It's the hub of activity for shopping/entertainment and every kind of food from coffee to ice cream and fancy meals. Town Hall is also next door to the Skunk Train, running trips daily as well as their handcars. There will be all sorts of outdoor activities, particularly the World's Largest Salmon BBQ all day Saturday followed by fireworks Saturday night. Even the fishing boats have good fireworks you can see from the bridge.

Loading and parking nearby will be easy. There are ramped sidewalks, and no hills or stairs. The hall will be locked and secure all night. A Soroptimist club member will always be on hand for anything that comes up.

SET-UP HOURS:

- Saturday before 10am

CRAFT FAIR OPEN HOURS:

- Saturday 10am-6pm or when shoppers dissipate.
- Sunday 10am-3pm.
